

DAF NOTES

JOB OPPORTUNITIES

A CITY in Kansas with a Jewish population of 20,000 has recently restructured its Vaad Hakashruth, including community-wide support and a committed Board of Directors, in order to grow its business and presence throughout the metropolitan area and region. The restructuring of the Vaad has resulted in two new positions available for immediate hire:

- (a) The **EXECUTIVE DIRECTOR** is responsible for the overall management of the Vaad, including business operations, marketing, and communications, both internally, with customers, and with the community. The Executive Director will work directly with the Vaad's Board of Directors. The successful candidate will be passionate about the mission of the Vaad and possess: effective communication and interpersonal skills; fund- raising experience; experience managing and supervising other people; strong organizational skills, and the ability to manage multiple time-sensitive responsibilities; experience in the operation of a not-for-profit 501(c)(3) organization.
- (b) The **KASHRUT DIRECTOR** is responsible for maintaining the kashrut standards of the Vaad accounts and supervise and train mashgichim to provide kosher supervision for both communal events and commercial accounts. The successful candidate will be passionate about the mission of the Vaad and possess: knowledge of Kashrut laws and standards; effective communication and interpersonal skills; ability and passion to educate community, clients, and vendors regarding kashrut; experience managing and supervising other people.

Both positions are currently part-time (Executive Director: 30 hours per week; Kashrut Director: 25 hours per week) and the desire is that these positions evolve to full-time as the organization grows. In the short term, there are potential additional roles within the community with which either the Executive Director or Kashrut Director can be paired in order to create a full-time position. The Vaad operates in a geographical region of major food production and is poised for significant growth. The mission of the Vaad Hakashruth is to provide a national standard of supervision for its clients, and to provide kashrut education for the Jewish community and the kosher consumer. This community is geared up to making this financially comfortable for the right candidates and will help them in every way to find additional and/or spousal employment. Inquiries and resumes may be directed to rabbirockoff@biav.org
